Health Department Fees and Regulations: Please read the enclosed Temporary Food Guidelines and Information Packet. All vendors serving prepared foods are required by the county to be in compliance with their regulations and submit a Temporary Food Permit Application. Specialty Food vendors selling items that are regulated by the Virginia Department of Agriculture or the United States Department of Agriculture or those specifically exempted from VDACS inspection are no longer required to obtain a LCHD permit. If you are exempt from LCHD food regulations please provide a statement that includes the date of your last USDA/VDACS inspection or exemption report. Sampling of any items that are prepared with a utensil such as a knife or spoon or the use of non-bottled water still require adherence to the hygiene practices outlined in the Temporary Food Guidelines Information Packet.

Proof of Payment: All applications must include one of the following.

- Copy of receipt showing payment to a VA county or city health department in the 2019 calendar year.
- Copy of license for mobile food or permanent restaurant operation in VA.
- Check for \$40.00 made payable to VDH.
- Signed statement that you are fee-exempt as a church or scouting organization.
- Signed statement that you are not serving any foods or samples that are subject to county regulation. Please include the date of last USDA/VDACS inspection or exemption.

Do not send your Health Department Temporary Food Applications and Proof of Payment to Leesburg. Enclose them with your Food Vendor Application, as the fair must submit them as a group.

Vendor Fees: Please read the information sheet to determine if you have calculated the fee appropriately.
