Dear Prospective Crafter,

Welcome to the 2023 season. Please find a downloadable application form and information sheet.

The Bluemont Fair is a village-wide, two day long country fair with an estimated attendance of between 7,000-10,000 visitors. This year will be our 53rd year.

A large juried craft area is located on the front lawn of the Bluemont Community Center and in the refurbished 'barn' just behind and to the right side of the same building. Selected crafters demonstrate their techniques in their booths during the weekend. In an effort to preserve the variety of crafts at the show we try never to have more than 10% of the same medium represented, thus if you are interested you are encouraged to submit an application at the earliest. Furthermore, be advised that there are only 14 spaces in the barn and as you might imagine they go very quickly.

The Bluemont Fair is widely advertised in local, county, state and regional venues, on community information sign boards and posters, on our website, in newspapers, in local libraries, in local community centers, in nearby retail stores and malls, in brochures at tourism locations and through the Virginia Artisan Trail Network.

If you would like to participate in our fair please read the information sheet and then complete the application form and mail it back with payment and pictures.

Many thanks.

Sincerely,

Kim Labash,
Juried Crafts Chair
