Dear Prospective Food Vendor,

Welcome to the 2023 season! You've received this letter because you have participated as a food vendor in the past, have expressed an interest in becoming one, or because we've enjoyed your products and would like you to join us. Please find the attached vendor information sheet, application, and Loudoun County Temporary Food Permit Application.

The Bluemont Fair is a village-wide, two-day country fair with an estimated attendance of 7,000–10,000 visitors. This year will be our 53rd year! It's always held on the third weekend of September, which falls on September 16 and 17 this year.

The vendor categories include:

- Food Concessionaire: Products that are prepared on-site for consumption on-site.
- Specialty Foods: Reduced fees for vendors with a limited product line that are not intended to be consumed on-site.

To those who have joined us in the past, please note the fee for 'Food Concessionaire' has increased by \$25. It is our first increase in fees in 10 years. The fee for "Speciality Food" applicants has not changed.

Bluemont Fair is looking for unique foods with a preference to locally sourced ingredients! We're thrilled to report that we had an overwhelming response last year—so please submit your completed application no later than **July 1, 2023**.

If you have questions, feel free to contact Janey at jmosky11@gmail.com or 202.725.5631.

We look forward to working with you!

Thank you,

Janey Moskowitz
